HIGHLIGHTS

- Highly motivated Cybersecurity & Digital Forensics Diploma Graduate.
- Collaborative team player with a strong emphasis on communication.
- People – oriented with good leadership skills.

EDUCATION

Diploma in Cybersecurity & Digital Forensics

Ngee Ann Polytechnic:

Apr 2023 – May 2026

- Cumulative GPA: 3.94

Cambridge 'O' Level Certificate: L1R4 8 points

Maris Stella High School (Secondary)

Jan 2019 – Dec 2022

PSLE: 227 points

Maris Stella High School (Primary)

Jan 2013 – Dec 2018

PROJECTS

Ngee Ann Polytechnic:

Web Application Pen-Testing

Apr 2024 – Aug 2024

- Collaborated with peers and penetration tested on "Trip.com" domain. Discovered 3 High CVSS scored vulnerabilities.
- Used tools like Burp Suite and ZAPROXY to discover and classify three high-CVSS vulnerabilities, using a CVSS calculator for accurate severity scoring.
- Tools: Kali Linux, Nikto, Zaproxy, Burp Suite, Nmap

Configured a Firewall (Palo Alto)

Apr 2024 – Aug 2024

- Configured a firewall with VPN for both sites KL and SG as per my project requirements with my classmates.
- Implemented tailored restrictions by department, blocking access to online storage services and enhancing internal security controls.

Malware Analysis

Apr 2024 – Aug 2024

- Analyzed a sample from Virus Share, performing static and dynamic analysis with tools like Process Explorer and x64 debuggers.
- Generated a comprehensive report outlining the malware's objectives, its behavioral characteristics, and the external services it attempted to contact.
- Tools: Process Explorer, Process Monitor, x64 debugger, Dependency Walker.

App Development

Oct 2023 – Feb 2024

- Developed a fully functional ice cream application in C# with a classmate, allowing users to customize orders by adding toppings and applying discounts through a points system.
- Focused on creating a user-friendly interface and ensuring robust functionality for seamless purchasing.

WORK EXPERIENCE

Apollo Healthcare Resources

Feb 2024 – Apr 2024

Sales Intern

- Managed end-to-end sales by sourcing pharmaceutical products from manufacturers, negotiating pricing, and supplying to clients based on their requirements.

- Prepared and handled key documentation including Certificates of Analysis (COA), Proforma Invoices (PI), and Sales Contracts (SC) to support transactions.
- Maintained client relationships through regular follow-ups, while promoting manufacturers' products and the company's offerings to drive sales growth.

ST Engineering Info-Security Pte Ltd

Sep 2025 – Jan 2026

Junior Digital Forensics & Incident Response Specialist

- Performed forensic casework and live incident response on Windows/Linux endpoints to identify Indicators of Compromise (IOCs).
- Built a production-ready 40-VM cyber range for strategic partners, encompassing infrastructure design and multi-stage threat simulation development.
- Researched and prototyped an "Agentic DFIR" capability by bridging the Velociraptor API with LLMs using the Model Context Protocol (MCP) to automate telemetry analysis.

R. Tiwary & Company Advocates & Solicitors

Jan 2023 – Present

Assistant

- Part-time assistance. Assisting in Microsoft Word legal documentation.

Co-Curricular Activities & Community Service

ICT Society

Apr 2023 – Present

Ngee Ann Polytechnic (School of InfoComm & Technology)

- Assisted in leading orientation programs to welcome freshmen.

Nullsec

Apr 2023 – Present

Ngee Ann Polytechnic (School of InfoComm & Technology)

- Actively participated in cybersecurity seminars, Capture the Flag (CTF) competitions, and other tech-related events.

Singapore Computer Society

Apr 2023 – Present

Ngee Ann Polytechnic (School of InfoComm & Technology)
